3. Check results

Analysis needs revision

We would like to ask you to complete or improve your analysis with regard to the following sequences. Please remember to use the abbreviations from the coding manual as well as a "->" to indicate an interaction.

- PDF encoding manual
- Formal criteria for open analysis

Interpretation
- Try to justify your interpretations.
- Try to use even more subject-specific terminology in your interpretation.
- Try to include aspects of rules, routines, and rituals in the interpretation.

Evaluation
- Your evaluation is still rather brief. Please take more time to evaluate even more concretely.
